2. Sept 63

Winnebago South Carolina Aug. 27 1863

To the Hon. J. A. Seddon
Secy of War.
Richmond.

Dear Sir.

A short time before the
fall of the City of New Orleans, Genl. Lovell having
expressed a desire for an independent
Volunteer Corps of 300 men to act as Scouts
and Sharp Shooters, by land and water,
Captain Muller and myself, offered to
raise the force.

We commenced the work with
Alger, and entered at our own expense.

The Corps was to be composed
of three Companies, the lists for the three
Companies being opened, Volunteers were
allowed to sign either or list at their pleasure.

The first Company was first
and elected officers, but no muster roll
was filed in the Military office at New
Orleans. A sudden call for Volunteers
being made about 50 men with Captain
Muller, went down below the forts for a
few days. The Corps was merely in process
of organization when the sudden fall of
the City, stopp'd every thing. We were not
recognised by the Military authorities as
being in Service, for two days before the
fall of the City. I sent a representation to
Head Quarters and was answered that
we were not recognised as in Service, and
that Genl. Lovell, had enough of such
Sharp Shooters as had gone before us,
who had to be sent back in two days.

The men were not in Camp, but merely Signiors
to the lists living at home in the City: and
the Corps was intended to assist in the defence
of the City. When the City fell the Lists of Signiors
and habits were destroyed.

The Government did not in the
least contribute to the expenses.

At the fall of the City, I left as
I considered a private Citizen, and have
conducted myself as such ever since.

About ten months afterwards
I heard that Captain Mullen, was authorized
to organize the Company. I went several
times to Camp Moore where he was recruiting
he did not require me to join him in his
work, I considered the authority to recruit
was personal to him.

Captain Mullen having filed
in the War office at Richmond, a list
purporting to be a roll of the first
Company, which was acted upon and
accepted, and my name appearing
there as first Lieutenant, I respectfully
tender my resignation as such, and
pray that it be accepted.

It is from no unwillingness
to serve my Country, On the contrary I
hope soon to be more useful than I
could be in that Capacity, but my
reasons are, that I have a large
and afflicted family in exile with
me, to whose very existence I am
necessary, & that I have passed
the age at which our present laws

require Military Service in the field;
And 3^o because Captain Muller
above raised his present Company
and that my absence will not at all
be disagreeable to him, as he no doubt
has sufficient officers.

I have the honor to subscribe
Myself your Obedt Servant

J. J. Michel

Dear Sir

Capt Muller having filed the transfer with
more than a year after the organization of his Com-
pany or about a year thereafter, which organiza-
tion Mr Michel supposed was dissolved, & thought
himself as a private citizen of the 2^d Divⁿ Ar
Michel that his only course to get rid of the ef-
fect of the transfer was to resign. This
he proposes to do now having drawn a cent
of compensation or considered him self entitled
to any & never having ever heard of any effort
to reorganize such regts. He is now engaged
in the invention of a new projectile w^{ch} he
will be of infinitely more service to the go-
vernment than his services as a S^{er}gentant.
He is beside a brave & a concept as
to credit, his condition as to his family
with one exception he has never been with
the company & has a number of
himself this the 18th of August

Dear General Sherman,
I have the honor to acknowledge the receipt of your kind letter of the 10th inst. in relation to the above named soldier.

I would respectfully inform you that the above named soldier was on the 10th inst. transferred to the hospital at Jackson, Miss. from which place I was not being able to get transportation for my horse.

I left him with my equipments at a friends near Jackson. Having been over one month my friends writes to me that my horse is dead. As a demerited officer in Cavalry is useless, and as I have not drawn a cent of pay for nearly twelve months, which

rather requires that I must obtain funds somehow. I want to request you to agree to allow a horse to be taken for my use for the leave of absence. I will take ten days for me to get to my home in Pike County, Miss. Hoping that my request may be granted, I subscribe myself respectfully,
Your Obedt. Servt.

To Genl S Cooper

Sir

I would most respectfully
tender my immediate & unconditional resignation
as Captain of Co "C" 14th Confederate Regt of Cavalry
I am 57 years of age & the hardships & activity
of the service together with the fast-fading of my
eye sight - admonish me that I have not the
physical ability to properly perform my duties

I am not indebted to the Government on
any account & have no Post-funds in my possession
There are no charges against me

Very Respectfully
Yours Obedt Servt
A. H. Thomas

Capt Co "C" 14th Conf Cavalry

I certify that I have carefully examined the said Capt A. H. Thomas
and find him incapable of performing the duties of an Officer, because of
old age infirm health and deficiency of eye sight. His general ability makes
him an invalid all the time, while the hardships and exposure of the field service
together with deficiency of sight render him incompetent for the duties of an
Officer.

OFFICE OF THE PROVOST MARSHAL GENERAL,

New Orleans April 1st 1865

Statement of John H. Williams, now

held prisoner at the Pecayune Collier's Dept.

I am a native of the State of Louisiana, 28 years of age, & having served in the Rebel Army since the beginning of the Rebellion, until October last, when I deserted from my Company near Clinton La. I belonged to the 14th Confederate Regiment, Company No. After leaving my Company I went to my home at New River, 12 miles from Donaldsonville; while at home I went to Donaldsonville to do the country work, as the office of the Provost Marshal, at Stang, on the 3rd of December 1864. I then remained quiet at home until the 15th of July last, when G. Madamey, of Capt. Baker's Company took me away from my home as a deserter from the Rebel Army, & was taking me to Jackson Miss, when within 4 miles of said place I succeeded to come down the Jackson Rail Road as far as Poplarman, where I delivered myself to the Major commanding the Post, whose name I do not know, & stated to him my case, & showed him my Certificate of my

oath of allegiance to the United States. He was
told me that I could have no trouble, as
me to the Prov. Mar. of the Port of Orleans, who
sent me to Capt. Sterling. He sent me
me to the Military Prison, where I was
to be released as a loyal citizen of the U.S.
